- **DURING** the Summit: Make note of the information, insights, new or clearer understanding of the issues and the remaining concerns that revolve around justice, “Our History/My Story/Our Time: Destiny in Mutuality” and the ongoing work in which you intend to engage.
- **REPORT BACK** Insight Gained throughout the Summit: What has changed within your understanding of “Our History/My Story/Our Time: Destiny in Mutuality”? What have you determined that you will do in response to that change? Describe your next steps. Tell how CWACM community can join you in your work.
- Resources that you used, including ones that you accessed in addition to those listed above, please note resources here in relation to CEU credit (3 for 3 CEU’s, 5 for 5 CEU’s):
- Please let us know - Is this process for CEU's helpful to you?

3) **CEU’s will be given to participants on the basis of their study and attendance at all scheduled Summit workshops and events. Participants will turn in agreed documentation.** Participants may acquire 3 or 5 CEU’s depending on the work which they are engaged, in addition to attending the Summit. This includes, but is not limited to, using the suggested resources to increase awareness and sensitivity toward preventing/ending oppression.

Participants who want to **earn 3 CEU’s will** engage by:

Studying resources that serve to bring to them insight on 3 different culturally specific groups, before and during the Summit. Upon completing your report back which is at least your evaluation form, these participants will be awarded 3 CEU’s at the closing of the Summit.

Participants who want to **earn 5 CEU’s will** engage by:

Studying 5 resources that serve to bring to them insight on at least 3 different culturally specific groups, before, during, and up to one month after the Summit. Upon sending in their report back (in the form of a written document, or an audio file or video file) to Annie Britton by Nov 21, 2018, these participants will be awarded 5 CEU’s.
